Description

Trade Agreement: WTO-AGP/NAFTA/Canada FTAs with Peru/Colombia/Panama

Tendering Procedures: All interested suppliers may submit a bid

Competitive Procurement Strategy:

Comprehensive Land Claim Agreement: No

Nature of Requirements:

Public Works and Government Services Canada requires the provision of Architecture and Interior Design services for projects in the following locations in Atlantic Canada: Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland and Labrador. Any locations subject to any of the Comprehensive Land Claim Agreements are excluded from the Supply Arrangement.

All enquiries must be submitted in writing to tanya.allen@pwgsc-tpsgc.gc.ca no later than seven calendar days before the Request for Supply Arrangement (RFSa) closing date. Enquiries received after that time may not be answered.

Existing Supply Arrangement Holders

This document allows existing SA Holders to submit arrangement to enable them to qualify for Additional Specialty Services and/or additional geographic locations for which they currently do not have a supply arrangement.

Existing supply arrangement holders are not required to re-qualify for any specialty services for which they already have a supply arrangement although they must otherwise comply with the new requirements of the refresh solicitation.

This Architecture and Interior Design Supply Arrangement includes six (6) Service Streams overall.

A1: Architecture - Very Low Complexity / Risk

A2: Architecture Low Complexity / Risk

A3: Architecture - Medium Complexity / Risk

A4: Architecture High Complexity / Risk
ID1 Interior Design Lower Complexity / Risk
ID2Interior Design Higher Complexity / Risk

Suppliers must identify the geographic area(s) in which they propose to provide services. Suppliers are also requested to indicate at least one to a maximum of three Service Stream(s) for which they wish to qualify. Suppliers are only required to submit one arrangement regardless of their number of proposed Service Streams. Suppliers may propose a maximum of three out of six streams of service. Suppliers may choose one or more geographic regions.

There is no maximum to the number of Supply Arrangements that may be issued as result of this RFSA.

The Supply Arrangements will remain valid for a period of six years or until such time as Canada no longer considers it advantageous to use them. The period for awarding contracts under the Supply Arrangement begins on the start date of the Supply Arrangement.

There are security requirements associated with this requirement.

The requirement is subject to the provisions of the World Trade Organization Agreement on Government Procurement (WTO-AGP) and the North American Free Trade Agreement (NAFTA).

Delivery Date: Above-mentioned

The Crown retains the right to negotiate with suppliers on any procurement.

Documents may be submitted in either official language of Canada.
