DO NOT submit both printed and e-mail copies. Any application submitted by both means will be discarded.

Deckhand Training Facility, Delgado Community College, New Orleans, Louisiana, Project No. DCC.2021. This project consists of a new two-story maritime deckhand training facility of approximately 3000 s.f. The facility will contain a teaching kitchen and dining area where students will learn how to prepare meals onboard vessels, a classroom, and a mock ship bridge that will overlook a mock barge. Students will participate in exercises to maneuver around barges, throw lines, build tow, and use industry equipment. The new facility should complement the existing Training Center at Delgado. The Designer shall prepare and submit all required drawings to Facility Planning and Control in AutoCAD and hard copy. Drawings shall follow the format specified in the "Instructions to Designers for AutoCAD Drawings Submittal".

The funds available for construction are approximately \$791,973.00 with a fee of approximately \$70,662.00. Contract design time is 120 consecutive calendar days; including 30 days review time. Thereafter, liquidated damages in the amount of \$125.00 per day will be assessed. Further information is available from James Royer, Delgado, (504)671-5477, [jroyer@dcc.edu](mailto:jroyer@dcc.edu).
