## Description:

Ceramic Tiles of Italy is hosting their 16th annual competition to find projects that show the versatility and design potential of Italian ceramic tile. Italy is a trademark used by all Italian manufacturers that belong to the professional ceramic tile association, and a full list of manufacturers can be found on their website. The association is looking for projects that use Italian tile as a primary material and can be new or renovated projects. The winning architect will receive a trip to Bologna, Italy and a check for \$5000. Open to North American Architects only
